Flirty Flamingo #141416
3 x 4, ornate heart and rose
DIRECTIONS:

1. The card base is Whisper White card stock 5 1/2 x 8-1/2 score and fold at 4-1/4. Open card and cut 1/2" off from one side, so one side is 4-1/4 and the other is 3-3/4 wide.
2. Next, with your card base still open, place it with the 5-1/2 side horizontally against the envelope punch board till the left corner edge is even with the hole peeking through the punch part of the board, then punch.
3. Next, move your card edge to the 2-1/2 marker and punch again.
4. Turn your card base 180 degree and repeat the punches again.
5. Next using the paper trimmer, align one side with the tab on your trimmer so you can cut off the excess tab to shape your file folder. Repeat it on the other side as well and your file folder shaped card is finished and now it's time to decorate it.
6. Open your card base and run the shorter side through the Lace embossing folder.
7. Cut a 1 x 5-1/2 pink designer series paper. Cut a 2 x 5-1/2 Soft Sea Foam card stock and using the scalloped die cut off the edge and adhere the pink patterned paper on top of it and adhere them on the card front as shown.
8. White emboss the heart with flowers image onto Soft Sea Foam card stock and using the coordinating heart die cut it out. This will give you two pieces, the stamped image one and a scalloped outline. Next die cut the ornate heart using Flirty Flamingo card stock and also the rose using the same card stock.
9. Line up the ornate heart with the scalloped outline heart and adhere them on the card front. Next using mini stampin' dimensionals adhere the white embossed heart on top of them.
10. Cut a 1/2 x 1-1/2 banner using Whisper White card stock and stamp the sentiment on it using Lovely Lipstick ink and adhere it on the middle of the embossed heart along with the die cut rose.

I also finished the inside and this is what it looks like.
Happy Valentine’s Day
1. Cut a 5-1/2 x 3-1/2 pink heart patterned paper and adhere it in the inside flap.
2. Cut a 5-1/2 x 3-1/2 Whisper White card stock and die cut the bottom edge using the scalloped border die to get it to a 5-1/2 x 3 panel. Adhere that on top of the patterned paper.
3. Stamp the sentiment using Lovely Lipstick and the hearts using Lovely Lipstick and also Flirty Flamingo ink.
4. Finally stamp the I love our life sentiment using Flirty Flamingo ink on the tab and tie a Pool Party twine in a bow around the whole card.
